

2012-2013 Student Board Representative Application

Dear SOGO Member,

If you are reading this, you must be interested in being elected for a position on the Student Board of Representatives. If elected, you will be one of **three** members from your orchestra to represent the Executive Student Board and the SOGO Board at rehearsals and in public. SOGO was founded on the basis of being **student led**. This means that students have a voice in the decisions made in SOGO. We encourage you to run for this position as it is an **honor** to represent your orchestra.

Here are the qualifications to be on the Student Board of Representatives:

- Be willing to attend SOGO **public events** throughout the year. (i.e. Performance Art and Petting Zoos.)
- Be able to attend monthly Student Board Rep. meetings typically held at rehearsal site between 4:30 and 4:55 but sometimes held during the week at the Allison household.
- Have the ability to give weekly **announcements** in front of respective orchestra.

Once again, it is an honor to serve on the student Board of Representatives we, the Executive Student Board, would greatly appreciate your application (attached).

The elections process is **not that complicated**. Once the application deadline is reached (September 23), the candidates from each orchestra will go before their respective orchestras and give a **brief** (75 word) statement about why they should serve on the Student Board of Representatives. Then, all members of the orchestra will vote to elect **three representatives** from the pool of candidates.

Please send questions and concerns to np.welch@yahoo.com.

Sincerely,

SOGO Executive Student Board

Please hand deliver application by September 23 to an Executive Board Member (Ella Bushnell, Keadrin Dick, Maggie Taft, or Nolan Welch).
